Cleans and Conditions in one!

- Specially formulated for safe and easy cleaning.
- Contains oils & preservatives to feed & maintain leather.
- Leaves a natural look & feel
- Advanced cleaning technology safely removes dirt & grime without removing protective oils. Cleaned surfaces keep their natural suppleness and feel.

Directions for Use:

If unsure always test on inconspicuous area before starting cleaning.

Spray directly onto surface or Xpert-60 Microfibre Detailing Cloth. Agitate gently to remove stubborn dirt and stains but do not allow to dry out. Use clean damp cloth to wipe over surface, regularly rinse the cloth with clean water. Use clean, dry cloth to remove any remaining moisture. Repeat process if required.
