

## Product Data Sheet

# Xpert-60 Rapid Liquid Wax

500ml/16.9fl.oz  
Code: XP-90054

SINCE  
1987

### Hydrophobic carnauba spray wax

- Dry & Wax in one step
- Can be applied to all wet exterior surfaces, including paintwork, glass, plastics, rubber & chrome trim.
- Outstanding product that delivers a high-gloss carnauba re- enforced wax coating in rapid time, no waiting for surfaces to dry.
- Contains streak free drying agents with Carnauba Wax for deep gloss shine, protection and surface slip.
- Fast, fragrant and easy to use. Impressive results every time..

### Directions for Use:

1. Wash vehicle using XPERT-60 shampoo, rinse and leave wet.
2. Shake container and spray RAPID LIQUID WAX onto all exterior surfaces, but NOT on windscreen. Typically 2 to 3 sprays per panel. 3. Wipe over the vehicle surfaces using a microfibre cloth to ensure an even wax coating.
4. Using a second clean-dry microfibre cloth, buff all surfaces to a full gloss finish.
